

Science and Engineering Apprenticeship Program (SEAP): *Application window open Aug 1, 2021 - Nov 1, 2021*

<https://navalsteminterns.us/seap/>

SEIP Intern sessions are 8 weeks for high school students who have completed at least Grade 9 and are currently enrolled in high school. Must be 16 years of age or older at the time of application to participate. Stipends are set to \$3,500 for new SEAP participants, \$4,000 for returning students.

Naval Research Enterprise Internship Program (NREIP): *Application window open Aug 1, 2021 - Nov 1, 2021*

<https://navalsteminterns.us/nreip/>

NREIP Intern sessions are 10 weeks for high school graduates, attending 2 year and 4 year colleges/universities. Applicants must be on track to acquire a minimum of 31 credits by the end of their Spring semester before their internship start date. Stipends are set to \$7,000 for new undergraduate participants, \$8,500 for returning undergraduate students, and \$11,000 for graduate students.

Science, Mathematics, and Research for Transformation (SMART) Scholar:

Application window open Aug 1, 2021- Dec 1, 2021

www.smartscholarship.org

The SMART Program provides students with a full scholarship. It is a one-for-one commitment; for every year of degree funding, the scholar commits to working for a year with the DoD as a civilian employee. Cash stipends are paid at a rate of \$25,000 - \$38,000 per year depending on degree level.

National Defense Science and Engineering Graduate (NDSEG) Fellowship Program:

Application window open Aug 2, 2021 - Nov 30, 2021

<https://ndseg.sysplus.com/>

This program is designed to encourage Baccalaureate recipients to enter Graduate school and ultimately gain Doctorates which align to the DoD services Broad Agency Announcements (BAAs) in research and development. The NDSEG Fellowship lasts for 3 years and pays for full tuition and all mandatory fees; a monthly stipend (~\$38,400 annually); a \$5,000 travel budget over the Fellow's tenure for professional development; and up to \$1,200 a year in health insurance.

Naval Acquisition Development Program (NADP) Website Link: *Application window ongoing*

https://www.navfac.navy.mil/jobs/students_and_grads/naval_acquisition_development_program.htmldevelopment_program.html

NADP Intern sessions provide professional development to promote the growth of entry-level professionals in finance, contracting, logistics, science and engineering. This program is designed for individuals who have graduated recently from qualifying educational institutions or programs. Applicants must apply within 2 years of degree or certificate completion (except veterans), who will have up to 6 years after degree or certificate completion. It is a two to three year paid program. To search for opportunities with the NADP, visit the USAJOBS website at www.usajobs.gov. Enter "NADP" in the keyword search to be able to view each position that is currently open.
